Hockey Outline.

I. Strokes.

1. Dribble

(a) Hands ---- left hand at top of stick, the back of the hand in the direction of the ball and the wrist parallel with the stick. The right hand a few in. below the left.

(b) Ball --- slightly ahead and outside the right foot.

(c) Stick ----- handle perp. to the ground.

(d) Execution ---- a series of short taps so that the player may progress with the ball. The ball travels about 3 ft. on each stroke.

(e) Use ----- to carry the ball while running. To keep possession of the ball until tackled.

II. (2) Push.

(a) Hands ---- left hand at the top of the stick, the back in the direction of the ball and the wrist parallel with the stick. The right hand 4 or 5 inches below the left.

- (b) Ball ---- slightly ahead of the right foot for a forward or diagonal pass.
- (c) Stick ---- approx. at rt. \angle to the ground.
- (d) Execution ---- the blade is placed against the ball & the left hand is pulled back sharply.
- (e) Use ---- to make a short easy pass in any direction. Especially good for free kick near the circle.

3 Drive.

- (A) Hands ---- left hand at the top of the stick, right hand directly beneath it. All fingers are around the stick. Back of the left hand is in the direction of the ball, palm of the rt. hand facing the direction of the ball.
- (b) Ball --- to the rt. of the body for a pass to the rt, in front of the body for a pass to the lt.
- (c) Stick ---- approx. at rt. angles to the ground at the moment of hitting the ball.
- (d) Execution --- a short, sharp swing. The lt. shoulder is generally facing in direction of pass.

(c) Use a hand pass or shot at goal.

II. Tackles

1. Left hand lunge.

(A) Execution ... the stick is swung sharply down from the carrying position. The r. hand pushes the stick to add momentum. The thumb of the left hand is up the back of the stick to brace it. Check the stick a few in. ahead of the ball.

(b) Use to tackle a player a little ahead and to the left of the tackler.

2. Circular tackle.

(A) Execution ... a push and a dribble around an opponent. The opponent must be completely circled & avoid obstruction!

(b) Use to tackle a player to the r. of the tackler.

III. Pullies.

1. To centre half.

(A) Reverse the stick and tip the ball back to the centre half. The stick is reversed by turning it with the r. hand.

2. To right inner.

- (A) Reverse the stick & tip the ball back a short distance, then hit to the right inner, the ball going to the non-stick side of the opposing center forward.

3. To left inner.

- (A) Jump backward & pull the ball with you. Hit the ball diagonally past your left side to your left inner.

IV

Dodges.

1. Dribble straight toward your opponent, push the ball to her non-stick side, run around to the opposite side and receive the ball.

2. Dribble toward the opponent, pull the ball toward her stick side, just out of reach, and dribble past her on the stick side.

3. Dribble toward opponent, reverse stick and tap the ball to the right then push it past her non-stick side. Run around to her stick side and recover the ball.
